1. Scope

Evident will provide technical dental design services performed by qualified dental technicians using Customer-provided scans, prescriptions, instructions, and approved laboratory preferences.

Deliverables consist of production-ready design files prepared in accordance with the applicable Order Form and the approved Lab Preference Sheet ("LPS"). Deliverables are prepared using Customer-provided information and remain subject to Customer's review and approval before manufacturing or clinical use.

Customer remains solely responsible for all clinical decisions, manufacturing validation, patient suitability, and treatment outcomes.

2. Lab Preference Sheet (LPS)

Before production, the Parties will establish an LPS documenting Customer's approved design preferences and workflow requirements.

The LPS serves as the operational reference for all design work. Changes become effective once confirmed by Evident.

3. Customer Responsibilities

Customer shall timely provide complete scans, prescriptions, approvals, design preferences, and other information reasonably required to perform the Services.

Incomplete submissions, Customer delays, or third-party delays automatically extend applicable turnaround targets.

4. Covered Design Services

5. Target Turnaround Times

Service	Target*

Standard Implant	Within 24–48 Hours

Service	Target*
Complex Cases	Within 24–72 Hours

*Targets apply to complete case submissions received during normal operating hours and represent service objectives only, not guaranteed delivery times.

6. Support

Support is provided in accordance with the applicable Software Service Levels.

7. Revisions

Revisions resulting from Evident's failure to follow the approved LPS will be corrected at no additional charge.

Additional charges may apply where revisions result from:

- a) revised prescriptions;
- b) Customer preference changes;
- c) incomplete or inaccurate submissions;
- d) poor-quality scans; or
- e) requests outside the approved scope.

8. Acceptance

Customer shall review Deliverables promptly and notify Evident of any material non-conformity within five (5) Business Days after delivery.

Failing such notice, the Deliverables will be deemed accepted.

Unless otherwise agreed in writing, approved service credits:

- a) apply only as future service credits; and
- b) constitute Customer's exclusive remedy for failure to meet this Schedule.

10. Conflict

If this Schedule conflicts with the applicable Order Form, the Order Form governs solely with respect to the purchased Services. Otherwise, the EviSmart™ Terms & Conditions govern.
